We are happy and relieved to announce that due to the prayers and generosity of our supporters and the help of Friends of helper in UK, The Lord has blessed us in receiving our largest monthly financial transfer. Appendix Mama Zuhura 52 to Matyazo Hospital as the Baptist/District Hosp is very expensive.

Uria's cancer check up in Mwanza's Regional Hosp, Bugando, is imminent.

Here's Ben in the NW of Tz, nearly in Uganda at the Sugar Estates, getting some work experience with a real company. After two months and a good sign off, he goes back to Dar to the college for his Certificate and Car License.

Avida has tests at Sokione University and asks for prayer. Ishimwe and Geoff at Arusha Inst

We didn't see Ishimwe and Geoff at Christmas as their uni only gave them 4 days.

But we saw all but one A Level student and Katie and Hope from their respective Teacher Training Colleges on Morogo and Dar es Salaam. The Secondary students are all in town so they were busy at Work Party Duty together with the Primary students.

Here is Hope who is running the assembly and Judith and Mariam who are giving The Word and translating it, together. They were surprisingly good. I was very happy.

Now all students are back at schools and colleges, **57 of these boarding in other towns**. We are happy and grateful that Our Gracious Lord provided what they needed. Thanks

to all of you reading this who also are supporting us.

God bless you from me and the team, and please pass this on to friends so we can continue to grow through you, Andy
